

**WE BELIEVE IN EMPOWERMENT. WE BELIEVE IN EDUCATION. WE BELIEVE IN WOMEN.**

**Vision of PROJECT-E**

PROJECT-E in Ethiopia seeks to create competent and self-reliant women to contribute to the economic and social development of the country, thus improving the livelihoods of young people by sustainably reducing poverty through education.

**Mission of PROJECT-E**

Our mission is passing on the privilege of education from students to students. Through education we want to help Ethiopian women from disadvantaged backgrounds to activate their potential.
